PIGEONS

There are three types of pigeons hereabouts, all descended from the Rock

Dove and closely related to the very extinct dodo: the Feral, the Wood and

the Carrier. They all strut confidently, their heads bobbing due to their side

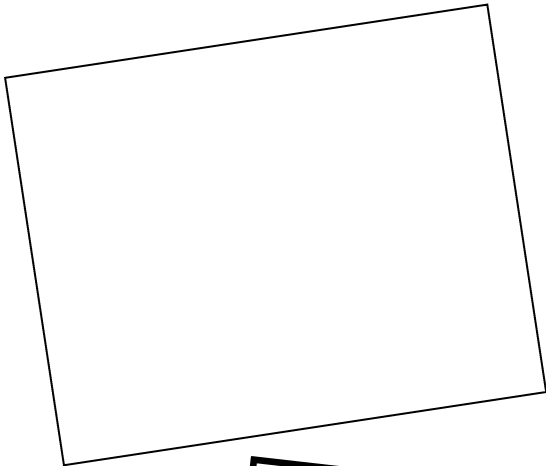

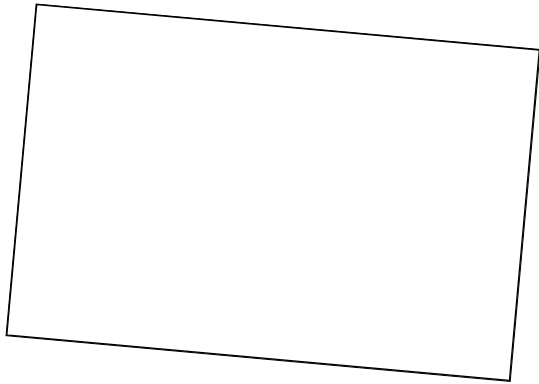

mounted eyes. The most urban bird of all is the enterprising, unlikely to go

hungry, Feral. It loves open air cafes to snatch scraps from peoples plates,

THE CLOCK OF LIFE

by Paul McLaughlin

Some things change, and some things stay the same. Many of the things

that have changed over the years are the things that I wish had stayed the

same. Some have stayed the same that I would have preferred to have

changed but, thankfully, good memories have changed the least in all that

time.
